**IN-PERSON / HYBRID CLASSES - VS - VIRTUAL ONLY CLASSES!**

All listed on our 2020-2021 schedule are in-person with a hybrid virtual option. What is a hybrid class? If a student for whatever reason cannot attend their class 'in-person' they still have the option to take the same exact class online instead. All our *in-person/hybrid* classes will have the ability to stream live to registered students of the class that are unable to attend. These class sizes are still limited to a max of 5-9 students (depending on age) to assure that your spot is available for you in-person or online while allowing the absolute best instruction and engagement from our teachers. *Virtual Only* classes have a completely different class schedule listed below.
