IN-PERSON / HYBRID CLASSES - VS - VIRTUAL ONLY CLASSES!

* All listed on our 2020-2021 schedule are in-person with a hybrid virtual option.

* What is a hybrid class?

If a student for whatever reason cannot attend their class 'in-person' they still have the option to take the same exact class online instead.

* All our *in-person/hybrid* classes will have the ability to stream live to registered students of the class that are unable to attend.

* These class sizes are still limited to a max of 5-9 students (depending on age) to assure that your spot is available for you in-person or online while allowing the absolute best instruction and engagement from our teachers.
