PATHS OF A DANCER Please connect with us for a tailored plan!

EDUCATIONAL

1-2 classes weekly

Grace Poise Self Esteem

Take Ballet/Jazz/Tap or Hip Hop and work on your love of dance! Keep a Ballet/Jazz/Tap weekly to build a good foundation!

DEVELOPMENTAL

2-4 classes weekly

Train Explore Expand

A Ballet ANDA a Jazz class! Taking both weekly is a great way to build a strong technical foundation. Add a Performance Company as a third class to increase performance skills! Add a second ballet for future ballet work on toe shoes or a second jazz or hip hop class depending on student's overall future dance focus. Look out for back to back classes!

ADVANCED

5 classes + weekly

Mastery Discipline Commitment

The number of weekly classes varies depending on the style focus. Ballet focused dancers may take 6 classes a week while jazz focused dancers have their jazz classes in addition to their ballet base to they may take twice as much while some adding a private lesson weekly for accelerated growth.
